

IMS POLICY

QUALITY, SAFETY & ENVIRONMENT POLICY

We at TRICOLITE ENERGY SOLUTIONS are committed to delivering **engineering, procurement & construction** projects in the field of electrical, solar and energy efficiency; **on time, every time with uniform quality to ensure customer satisfaction.**

We at TRICOLITE ENERGY SOLUTIONS are committed to **protecting the environment** that we operate in along with **ensuring health & safety** of all authorized personnel within project premises.

We at TRICOLITE ENERGY SOLUTIONS adhere to the regulatory and **industry best practices** like 5S and Kaizen across our sites. We work to continuously retain and **upgrade our skills, processes and technologies** to ensure **excellence with integrity**, in every project activity we undertake.
